

Meykaya International, headquartered in Bracknell, UK, operates as a distinguished logistics and fulfilment company, specializing in aiding UK and European businesses in effectively accessing a global market while ensuring the security of transactions. Utilizing our cutting-edge procurement platform, we optimize sales processes and securely transfer payments directly into the accounts of our clients across the UK and Europe.

Our extensive range of services extends to providing seamless turn-key procurement and delivery solutions to overseas clients. By diligently understanding their specific order requirements, we collaborate with reputable suppliers in the UK and Europe to facilitate sales and ensure prompt payments into their designated bank accounts.

At Meykaya International, our dedication to quality and security is reflected in our operational approach: we commence order fulfilment only upon receipt of cleared funds, ensuring a seamless transaction experience for all parties involved.

As part of our overarching strategy, we offer overseas clients a hassle-free shopping and delivery service from the UK and Europe, catering to any destination worldwide. With our support, clients can enjoy the convenience of shopping as though they were local residents.

Mission:

"At Meykaya International, our mission is to serve as a premier logistics and fulfilment partner, bridging the gap between UK & European businesses and a global audience. We strive to facilitate secure transactions, streamline procurement processes, and ensure timely delivery, empowering businesses to expand their reach with confidence and efficiency."

Vision:

"Our vision at Meykaya International is to be the trusted catalyst for international commerce, renowned for our commitment to quality, security, and seamless customer experiences. Through innovative solutions and unwavering dedication, we aim to redefine the standards of global logistics, empowering businesses and prospective buyers worldwide to thrive in a connected marketplace."

International Trading Services

International Trading Solutions

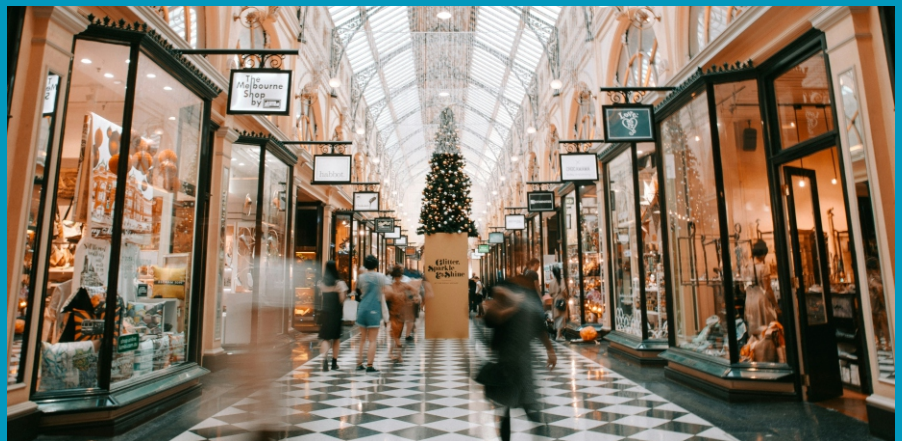

At Meykaya International, we specialize in delivering a comprehensive array of global trading solutions, leveraging our expansive network to meet the diverse requirements of our clients worldwide. Our suite of services includes, but is not limited to:

-  **Export Agency:** Acting as trusted representatives for vendors and suppliers, both in the UK and Europe, we facilitate their expansion into international markets. Through advocating for their interests abroad, we ensure seamless transactions and nurture long-term partnerships.
-  **Procurement Services:** From procurement to freight, customs clearance, and final delivery to the destination country, our services facilitate smooth transactions between clients abroad and suppliers in the UK and Europe. With our expertise, clients can navigate the intricacies of international trade confidently.
-  **Cross-Border Shopping Experience:** We empower clients residing abroad to access and purchase products from vendors and suppliers in the UK and Europe, offering them a seamless shopping experience akin to local residents. Our goal is to transcend geographical barriers and bring the global marketplace closer to our clients, regardless of their location.

Our services include:

Export / Import Agency Services

International Procurement Services

Online Shopping Assistance

Airfreight Delivery services leveraging our global network of partners

Sea Freight and Export consolidations, FCL and LCL services

Why Choose Meykaya International?

Meykaya International stands as a premier Logistics and Fulfillment company based in Bracknell, UK. Here's why partnering with us is the right choice:

1. Global Reach, Local Expertise:

Benefit from our focus on assisting UK and European businesses in accessing a global audience. We utilize our extensive network and local expertise to efficiently and securely deliver your products to customers worldwide.

2. Advanced Procurement Platform:

Rely on our state-of-the-art procurement platform to streamline the sales process, ensuring a seamless and hassle-free transaction experience for our clients. From procurement to secure payments directly into supplier's business bank accounts in UK and Europe, we handle it all.

3. Turn-Key Procurement and Delivery Solution:

For overseas customers, we offer a comprehensive turn-key solution for procurement and delivery. By meticulously understanding your requirements, we collaborate with reputable suppliers in the UK and Europe to ensure timely order delivery. We facilitate secure payments directly into suppliers' designated bank accounts, ensuring a smooth and reliable transaction process.

4. Commitment to Quality and Security:

At Meykaya International, quality and security are paramount. We prioritize transparency and reliability, initiating order fulfilment only upon receiving cleared funds to guarantee a smooth transaction experience for all parties involved.

5. Hassle-Free UK Shopping Experience:

Our services go beyond conventional logistics to provide overseas clients with a hassle-free UK and Europe shopping and delivery experience. With our assistance, you can access products from UK and European vendors as though you were shopping locally, regardless of your location.

At Meykaya International, our mission is to empower UK and European businesses to thrive in the global marketplace and assist overseas customers with international procurements. Partner with us and experience the difference in logistics excellence.
